The major refurbishment of this character building will provide unparalleled character city office space. Level 2 enjoys a modernised open plan office, with a high end fit out including state of the art lighting, kitchen and residentially appointed bathroom. Flooring is presented in polished timber combined with exposed sand blasted brick walls and black steel kitchen and bathroom pods. Level 2 is graced with stud heights of 6.5 metres, a pitched roof with exposed timber trusses and an abundance of natural light. This is truly office space to be proud of.
